Followed the following steps:

Creating the Unpaid Annual Leave wage pay item

- 1. Go to the Payroll menu and choose Pay items.
- 2. On the Wages and salary tab, click Create wage pay item.
- 3. Enter a **Name** for the pay item, such as "Unpaid Annual Leave" or similar.
- 4. Choose the applicable **ATO reporting category**. If unsure, check with your accounting advisor or the ATO.
- 5. For the **Pay basis**, select **Hourly** (regardless of whether your employees are on a salary or paid hourly).
- 6. For the **Pay rate**, choose **Fixed hourly rate of** and leave the rate as **\$0.0000**.
- 7. Under **Allocated employees**, choose the employees who are entitled to unpaid leave.
- 8. When you are done, click **Save**.

rees using this pay item	

Then when I go to the next steps:

After creating the unpaid leave wage pay item, you can follow the next step for preventing leave from accruing while on leave. Kindly follow the next steps below:

- 1. Go to the Payroll menu and choose Pay items.
  - 2. Click the Leave tab.
  - 3. Click to open the leave entitlement which should not accrue while on unpaid leave.
  - 4. Under Exemptions, choose the Unpaid Annual Leave wage pay item.
  - 5. Click Save.
  - 6. Repeat all leave entitlements which should not accrue while on unpaid leave.

It won't show step 4:
