

MYOB problems with Sing In:

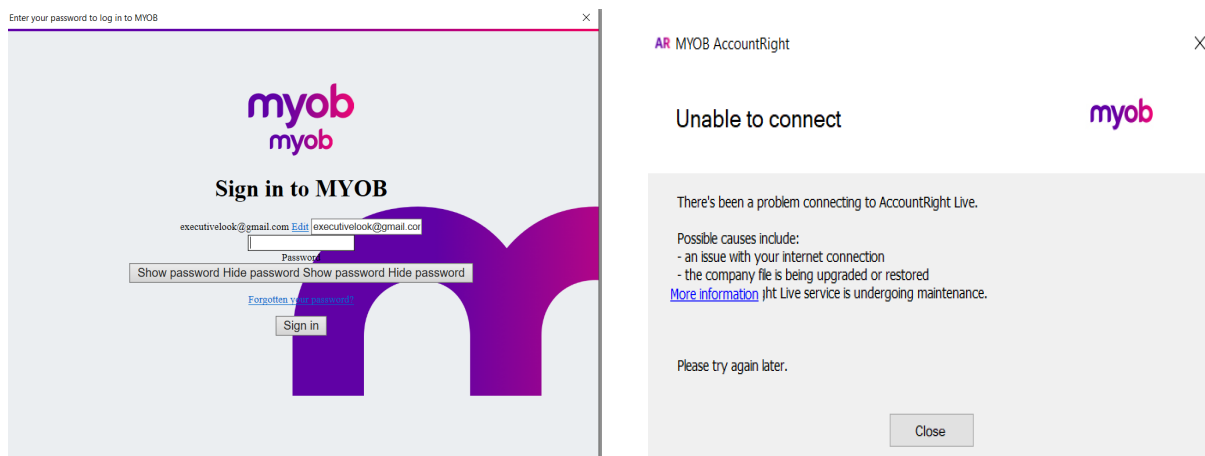

1. Select and open the company file and loading long time- see screen below:

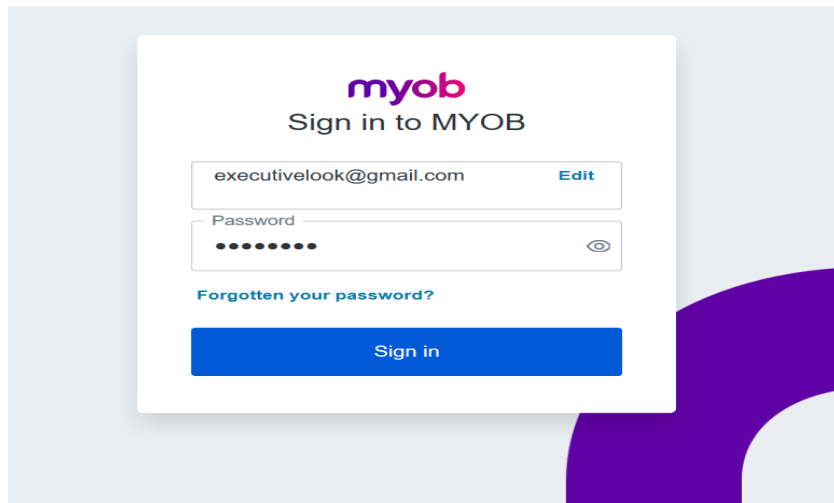

2. Need to enter few times for email address to login:

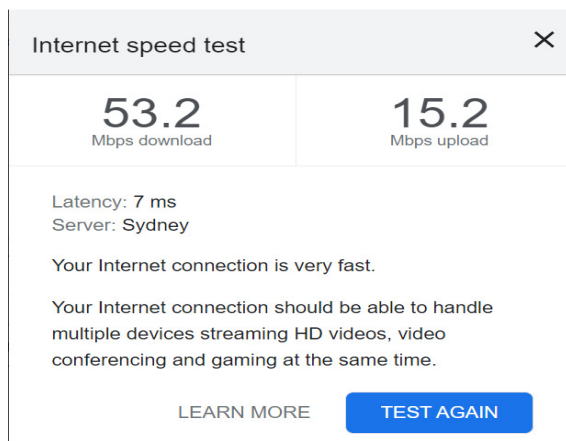

3. Enter file password and loading long time and ask enter it again:

4. The below screen is the correct screen which shows up for sign in to MYOB:

5. PC internet speed test:

The screenshot shows an 'Internet speed test' window. At the top left is the title 'Internet speed test' and a close button 'X'. Below the title are two columns showing results: '53.2 Mbps download' and '15.2 Mbps upload'. Underneath these are 'Latency: 7 ms' and 'Server: Sydney'. A paragraph of text reads: 'Your Internet connection is very fast. Your Internet connection should be able to handle multiple devices streaming HD videos, video conferencing and gaming at the same time.' At the bottom, there are two buttons: 'LEARN MORE' and 'TEST AGAIN'.
